Description

My unit lacks smoke detectors in the kitchen, living room, and common hallway, leaving the primary egress pathway entirely unprotected. In addition to this immediate fire-safety hazard, the property currently features ungrounded electrical wiring and severe overcrowding, housing dozens of residents in an improperly zoned space. Because these current conditions indicate significant unpermitted modifications have been made, the absence of fire detection is likely a systemic issue. The same organization owns and operates the building directly next door. I urge the Fire Department to conduct comprehensive smoke detector and life-safety inspections across all units at both locations immediately to protect the occupants.

Description

The property at 1471 Brown St has undergone significant unpermitted structural and electrical modifications to illegally maximize residential capacity. Official Cook County Assessor records classify the building as a four-unit property containing a total of six bedrooms. The current physical configuration drastically exceeds this assessment, operating with a capacity for dozens of occupants and pointing directly to unpermitted partitioning and interior construction. Furthermore, the accompanying photographic evidence demonstrates that standard and GFCI electrical receptacles in the kitchen lack any grounding. This non-compliant wiring indicates that the extensive interior modifications were completed without proper municipal electrical permits or safety inspections, creating a severe fire and life-safety hazard for the building's occupants.

Problem Location:

1471 Brown St Des Plaines IL 60016-7118

Description

Normandy House operates an illegal rental scheme that systematically violates tenant rights and evades municipal tax liabilities. Management mandates weekly housing fees, but fraudulently classifies these mandatory payments as voluntary "donations" to bypass rental regulations and obscure taxable rental income. To further circumvent the law, residents are coerced into signing documents that explicitly state they "do not have renters' rights" and are classified merely as "guests".

FILED DATE: 10/30/2026 12:04 PM 20262005977

Most critically, management uses these illegal waivers to threaten and execute immediate lockouts. Their written rules dictate that management can demand a resident "vacate the house immediately" and that anyone asked to leave must "leave that same day". Under Illinois state law, management cannot perform self-help evictions under any circumstances. Anyone paying regular fees for housing at this property has established tenancy and cannot be legally removed from the premises without a formal court order, regardless of the fraudulent waivers they are forced to sign.

Problem Location:

1471 Brown St Des Plaines IL 60016-7118

Description

This report concerns severe and dangerous overcrowding at 1471 Brown St, a property classified as a four-unit apartment building but currently housing nearly three dozen individuals. As demonstrated by the attached images, the property completely lacks basic fire safety equipment in common areas and living spaces. Furthermore, the attached pictures show faulty, ungrounded, and unpermitted electrical work throughout the units. Accommodating this volume of occupants through unpermitted interior construction far exceeds the safe capacity and legal zoning limits for this structure, creating an extreme life safety hazard.

The dangers of this overcrowding are magnified by the operator's ongoing financial misconduct. The property is managed as part of an organized tax evasion scheme detailed in the attached IRS charitable trust complaint (IRS_F13909_With_Exhibits_2.pdf), where mandatory rent is fraudulently misclassified as charitable donations to evade municipal and federal oversight. When this illicit financial operation is combined with the unauthorized structural modifications, faulty wiring, and severe fire code violations, the deliberate overcrowding of this building presents a significant and imminent risk to public safety that requires immediate municipal intervention.

NOTICE TO CEASE AND DESIST

Retaliation, Unauthorized Entry, Civil Rights Violations, and Threatened Lockout

October 29, 2026

Kenneth Ivaska, President
Normandy House, Inc. / Brown Str. Six Flat LLC
75 W. Algonquin Rd
Des Plaines, IL 60016

Charles "CJ" Frost, Director
Normandy House, Inc.
1471 Brown St
Des Plaines, IL 60016

RE: Tenancy at 1471 Brown St, Apt 3, Des Plaines, IL 60016

Mr. Ivaska and Mr. Frost,

Please accept this letter as formal notice to immediately cease and desist from retaliatory harassment, unannounced entry into my apartment, and any attempt to remove me from my home without a court order.

Earlier this week, I submitted reports to the City of Des Plaines regarding fire safety hazards, unpermitted construction, overcrowding, and rental practices at 1471 Brown St (Requests #4015–#4020). Following those reports and subsequent inspection activity at the property, on the morning of October 29, 2026, Mr. Frost entered my apartment without notice as I was leaving for work, demanded an immediate urine sample, presented the "guest" agreement I was required to sign, and threatened to remove me from the property that day.

Please be advised of my position as a resident of this property:

1. Established Legal Tenancy

I am an established, rent-paying tenant at 1471 Brown St, Apt 3, and my Illinois State ID is registered to this address. Calling my required weekly payments "donations," or calling me a "guest," does not change the nature of the arrangement: I pay rent in exchange for housing. A signed waiver cannot remove the protections of the Illinois Eviction Act (735 ILCS 5/9-101 et seq.) or the Cook County Residential Tenant Landlord Ordinance. The practice of collecting rent as "donations" has also been reported to the appropriate state and federal authorities.

2. Unlawful Retaliation

Threatening to end my housing days after I reported building and fire code violations to the City is retaliation prohibited by the Illinois Retaliatory Eviction Act (765 ILCS 720) and the Cook County Residential Tenant Landlord Ordinance.

FILED DATE: 10/30/2026 12:04 PM 20262005977

3. Privacy and Lack of Clinical Authority

1471 Brown St operates as a rooming house, not a licensed treatment facility. Normandy House, Inc. receives no state funding, holds no state treatment license, and does not employ licensed clinical staff. [redacted] I will continue to respect a sober living environment and am willing to take a breathalyzer test while on the property. I will not submit to urinalysis demands from housing staff or share medical information with them.

4. Civil Rights and Coerced Meeting Attendance

I will no longer attend Alcoholics Anonymous or other faith-based 12-step meetings under threat of eviction. [redacted] Conditioning housing on participation in religious activities, or on a particular form of treatment for a disability, violates the federal Fair Housing Act and the Illinois Human Rights Act. These concerns have been reported to the Illinois Attorney General's Civil Rights Bureau.

Notice and Demand

The City of Des Plaines Community and Economic Development Department and the Des Plaines Police Department have been notified of this situation (Des Plaines Police Report No. DP-26-00037520). Any attempt to lock me out, enter my unit to harass me, or interfere with my property is unlawful and will be reported immediately. I demand that you stop:

- Entering Apartment 3 without advance notice, except in a genuine emergency;
- Attempting to lock me out, block my access, or interrupt utilities or services;
- Moving, removing, or tampering with my personal or work property; and
- Pressuring me over clinical demands, "program rules," or unenforceable contract waivers.

Under Section 42-813 of the Cook County Residential Tenant Landlord Ordinance, even threatening a lockout is prohibited. If the door codes are changed or I am otherwise denied access to my apartment, I am prepared to immediately file a verified complaint and an emergency motion for a temporary restraining order in the Circuit Court of Cook County, Second Municipal District, to restore my possession, and to seek the damages and attorney's fees that Section 42-813 provides.

If you wish to end my tenancy, the only lawful way to do so is to serve proper written notice and obtain an order from the Circuit Court of Cook County.

Sincerely,

[redacted]
